

Let's put it all together!

So far this chapter we have talked about articles, nouns, gender, subject pronouns, the verb "ser" and adjectives. Let's see if we can take some sentences apart, then put some sentences together!

Read the following sentences. Identify the parts of speech like so:

Circle the subject pronouns or the subjects of the verb

Underline the nouns

Put a square around the verb

Put a triangle around the articles

Draw arrows pointing to the adjectives

**Ex: El chico es un estudiante tímido.**

1. Roberto es un chico americano.
2. Maria es una muchacha muy seria.
3. el muchacho pelirrojo es muy guapo.
4. La chica morena es una estudiante buena.
5. Ella es una estudiante en la escuela Hidalgo.
