Español III

CLASS PROCEDURES

WELCOME to Spanish! Please read what will be expected of students in this course and return bottom section to me, signed by Wednesday, August 31, 2016. **Student keeps upper portion for future reference in their notebook.**

In this course, we will work in the four areas of language learning: listening, speaking, reading, and writing. As more and more **vocabulary** and **grammar** is studied it will be increasingly difficult to remember all of these words. It is important to study your notes daily for 20-30 minutes. **There will be regular vocabulary and grammar quizzes.**

For more detailed information about the standards, please review:

<http://www.ncpublicschools.org/docs/acre/standards/new-standards/foreign-language/world-language.pdf>

MATERIALS: You will need a 3-ring binder, a notebook, a blue or black pen, a pencil, filler paper, and any handouts given in class. All students **MUST** have their school supplies by Wednesday, August 31. They are necessary to be successful in this class.

CLASS PARTICIPATION is crucial in learning and understanding the material. Participation includes the four main principles of language study: **Listening, Speaking, Reading and Writing**. Spanish will be the language of communication.

WORK EXPECTATIONS: All assignments are to be completed **individually** unless noted by the teacher as group work. These assignments are to be completed by the due date and turned in at the **beginning** of the class.
